

# Albany Creek State School

2024 - *Where are we going?*

## LEARNING

- Increase number of students achieving at or above standard in English
- Implement Australian Curriculum Version 9 in English
- Create engaging, connected, real-world learning units and experiences
- Articulate a school-wide, evidence-based approach to reading
- Build feedback practices - every teacher, every classroom

## ENGAGING

- Embed pedagogies that enable students to be active and collaborative
- Deepen understandings of trauma-informed practice
- Connect with experts to enrich learning
- Create opportunities for students to have agency in learning and school life
- Use learning walls to make learning visible for all students.

## GROWING

- Create and enact our Reconciliation Plan
- Establish a shared vision for inclusion and embed systematic, consistent support processes
- Review and enact revised practices in line with the Student Code of Conduct
- Explore and enact opportunities for increased volunteering in our school and classrooms
